FISHING LICENSES

To fish in Ontario, you must possess a valid fishing license. Licenses may be purchased at the Totem, Yellowbird and Wiley Point offices upon check-in: 8 day full \$65; 8 day cons \$45; Seasonal full \$90; Seasonal cons \$60. Ontario Outdoors Card included.

It is important to carry your license with you at all times when fishing in the event you are asked to show your license to a conservation officer. Anyone who isn't an Ontario or Canadian resident is considered a non-resident. Non-residents under 18 years of age may fish without a license if accompanied by a licensed adult. Any fish caught will legally be part of the catch-and-possession limit of the person who holds the license. Keep in mind though, your license is not transferable. Therefore, you cannot lend it to anyone.

If you purchased an Outdoor Card last year, remember to bring it with you to save money!
